In letter no 290 Dy 29-10 the President requested Sanction to T.B. of Maddagiri L. F. Board's recommenda Habbur. for the conversion of th Yediyur. marginally noted third Huliyar. Class Travellers Bungalow into 2nd Class ones

2. Thereupon the President Sl 17. Flag B. was requested to state (a) the of halts made, (b) the amount fees collected & (c) the expendit incurred, in respect of each of the Bungalows above mentioned for each the three years ending 1901-1902. Su-

the opinion of the Executive Engineer
the subject

3 From the statement ~~accordingly~~ submitted by the President, the cost incurred on all the Bungalows during the three years amounted to Rs 719-13-4, while the fees collected from Travellers comes to only Rs 201-15-6 or Rs 517-13-10 less.

4. The President concurring with the Executive Engineer now says that there does not appear to be any necessity to raise the class of the Bungalows at Habbur, Yadiyur, & Kuliyar and proposes ~~has framed proposal~~, in accordance with the Board's resolution of 7-4-03 to raise the Bungalows at Maddur as well as at Kubbi & Chikkanayakanahalli to reduce into second class Bungalows, and the second class bungalow at Kubbenahalli in the Tiptur Taluq ~~proposed~~ into a 3d class one.

Sl 19

760 Dy 28-4-03

5 The Executive Engineer does not approve of the proposal to raise the class of the Travellers Bungalow at Maddagiri nor does the number of halts made & fees collected justify the recommendation.

This is not correct. The Exe. Engr. does not approve of raising any of the 3 bungalows in question. Vide Flag Z in Sec. No. 255-93. (Linked)

This fees collected are more than three for Chikkanayakanahalli Bungalow. Flag X. Vide para 6 infra also.

6 As regards the modification of the classification of the remaining Bungalows the President has not explained the necessity therefor; nor has he furnished a statement, showing the number of halts &c with the opinion of the Executive Engineer on the subject.

7 Submitted for approval or other orders, a draft calling for the information.

~~Engg~~ 13/5/03

8 The draft was issued in No. 16192 Lr 255-93. dated the 18th May 1903. From the President's reply thereto and the previous references, the number of halts made & the amount of fees collected & of the expenditure incurred in the Travellers' Bungalows, whose classification is proposed to be modified is quoted below:-

3) Chikkanayakanahalli	III	II	26	12	4	4	60	0	0	
4) Kibbanahalli	II	III	23	16	1	8	348	0	0	

9 The Executive Engineer Considers that the Travellers bungalows at Gudur and Chittoor Ramachalli are now a necessity and that their conversion into II Class with full Complement of Establishment will be a great Convenience, as the Existing Caretaker or Sweeper on Rs 5 permanent is unable to keep the grounds clean. and that Kilakarai Ramachalli which is not much frequented after the Opening of the Railway may be reduced to III Class.

10. It is submitted that the Rates of Charges made in the bungalows proposed to be raised or reduced ranges between 26 & 74 in a year, while that in the bungalow proposed to be reduced to III Class is 2'3.

The proposed Classification involves an extra expenditure of Rs (15-5) or 120 Rs annum to the Direct Fund budgets.

May this be transferred to the General and Contingent Budget to the Provincial Budget.

11 The question of the conversion of 3rd class travellers bungalows into 2nd class ones, is transferred to Revd Branch where matters connected with 1st and 2nd class bungalows are dealt with. The expenditure of the 1st and 2nd class bungalows are debited to Provincial funds.

12 The question which requires orders is about the conversion of the 3rd class bungalows at Gubbi and Chikanayakanhalli into 2nd class and the 2nd class one at Kibbenhalli of the Tiptur Taluk into a 3rd class one

13 The proposal involves a cost of Rs 228/ as stated below. —

The conversion of the 2nd class bungalow at Kibbeckhalli into a 3rd class rest house will involve a monthly expenditure of Rs 29/- a month. The net cost of the proposal for a month is 19/- or Rs 228/- per annum.

There is no provision in the current year's budget unless a supplementary grant is moved. The reappropriation could be found out, the proposal is not feasible of being carried out.

No. G. 2294 dated the 14th Nov. 1903, to the Deputy Comm. Tinnevelly Dist. requesting as to how the additional cost involved by the conversion could be met.

18 Letter No. 27 dated the 18th July 1904 from the Dy. Commr. Tumkur, reporting that the cost of 2nd class Bungalows may be met as usual from Provincial Funds & that of the 3rd class Bungalow from the Local Funds

4 The question for consideration is the conversion of

A. The 3rd class Tr. Bungalows at (1) Maddagiri, (2) Gubbi and (3) Chiknayakanahalli into 2nd class ones.

B. the 2nd class Bungalow at Kibbana halli into 3rd class one

5 Taking Rs 23 as the cost of Establishment in a second class Travellers' Bungalow & Rs 5/- (for a caretaker) as that of a 3rd class Bungalow, the proposed conversion would affect the Provincial and Local Funds thus:—

× Vide pages 193 & 194 of Book put up. (Estab^ts + Other Charges).

(a) Provincial Funds.

cost of three 3rd class Bungalows' Establishment @ Rs 23/- Each	Rs 69-0-0
Deduct the saving of the Kibbana halli Bungalow Establishment	Rs 29-0-0
	Rs 40-0-0

(b) Total increase

(b) Local Funds.

Savings of the Establishments of—

of three 3rd class Bungalows
to be raised to 2nd . . Rs 15-0-0

Add new Establishment
(care taker) for Hibbanahalli
Bungalow Rs 5-0-0

Total Savings Rs 10-0-0

21 Thus if the recommendation of the Dy Commr is sanctioned Rs 40/- per mensem or Rs 480/- a year has to be provided for in the current year's Budget

Submitted for orders

2/8/04 The Dy Comrs reply does not contain the specific info asked for as to the source in the Govt budget from which the addl cost is to be met. But probably he is not in a position to suggest this.

If the question of conversion is decided in the Govt Branch, the provision may be dealt with in this H Branch. Orders on the future points solicited

Sir,

Adverting to the Correspondence ending with your docket no 16192/L7. no 255-93 dated 18th May last, regarding the Conversion of certain 3rd class Bungalows in the District into second class and of Kibbanahally 2nd class Bungalow into 3rd class, I have the honor to forward herewith Copy of Executive Engineer's letter no: 563 dated 12th August 1903 with its accompanying statement which furnishes the information required in your docket under reference.

The Executive Engineer explains the necessity for the proposed reclassification of

of the Bungalows in question.

Sir

With reference to Deputy Commissioner's no 40 dated 5/7.8.03 about the conversion of certain Travellers' Bunglows in the Disbrict from 3rd. to 2nd. class and from 2nd. to 3rd. class, I have the honor to enclose an abstract statement of number of halts and fees collected from Travellers occupying the Bunglows in question. The cost of Establishment maintained yearly is also inserted in the same statement.

2 The conversion of the 3rd. class Travellers' Bunglow at Maddagiri into one of 2nd class appear from records furnished to have been acceded to by the Government and question is raised as to the necessity of converting the other two Bunglows situated at the Taluq Head quarters of Gubbi and Chicknayakanhalli into 2nd. class. At Gubbi there was no Travellers Bunglow till very lately. When the old Taluk Kutchery was

prepaired to locate the local schools after the Construction of a new Taluq Kutchery, a portion is set apart for the use of the Travellers, creating necessary conveniences and at Chickmagalur Kankally a P. W. D. inspection lodge was converted into a third class Travellers Bungalow a few years back. Both these Bungalows are now a necessity and are beginn to be used. Only a Care taker or Sweeper on Rs 5/- a month is maintained at each of these Bungalows and he is unable to keep the grounds attached to them in a clean condition. Being Taluk Head Quarters it will be a great convenience if the Bungalows are converted into 2nd class with the full compliment of Establishment.

3 After the opening of the Railway the 2nd class Bungalow at Kibbanhally situated on the main trunk road from Bangalore to Shimoga is not much frequented and the Establishment has hardly any work and even the District officers that are to go to Shimoga and Chickmagalur alight at Banasandra Railway Station and travel straight on. It may be converted into 3rd class. In this connection it appears to me necessary to note that want of accomodation at the Banasandra Railway Station for first and second class passengers is badly felt as there

is no waiting room attached to the Railway station. Either waiting rooms for first and second class Travellers in connection with the Railway Station or a small Travellers Bungalow close by is necessary to be provided for.
